Note : Today, the department involved in that rescue has a dedicated, well-trained and well-equipped water-rescue team. I have removed two hives what can I do other than sealing up to deter return? Oink,oink,oink,oink! Once the two have determined that Nightcrawler was under some form of mind control, they try to fly back to the mansion but receive a distress call from Wolverine revealing that the mansion was attacked by a group of black-ops soldiers while Xavier was distracted by Nightcrawler's assault. Jean separates herself from the others with a grim expression on her face before she quietly leaves the Blackbird.
