It avoids an over-reliance on your coach or your playing partner or a parent or spouse. It's important the set up is correct as misalignment at address means the club face will need to be manipulated throughout the swing to get the ball started on line. Pros, although very capable of keeping score, have been known to lose track of their score in final rounds of major championships.

Whyisthiscategorysignificanttoyourscoring? As I said, there are several variations but my suggestion for a good shot routine is: 1. I think they were good tips for golf p. Butbesuretoalignthatclubfacefirst!Understanding the relationship of the clubface to the swing path and creating a more centred strike would develop more ball control and see you hit more fairways and greens.
