See Henrichs n In fact, the scene between Diomedes and Glaucus and the meeting between Hector and Andromache, placed respectively at the beginning and end of Iliad VI, are symmetrically balanced with respect to their Dionysiac connotations. These three levels implicitly define also the proper method and specific epistemological structure of the social doctrine of the Church.

Immigrationandworkg.Gazda,E.This is the sound of open conversation between piercing intellects, taking their individual instruments and musical backgrounds to create a new universe of sound. It is the same Spirit of the Lord, leading the people of God while simultaneously permeating the

universe[63], who from time to time inspires new and appropriate ways for humanity to exercise its creative responsibility[64].
