The new second edition has been expanded and updated with increased vocabulary. It was an intelligence agent who interviewed my father when we came to the US 14 years ago. It usually takes a couple of minutes before anyone recognizes that I'm not a native speaker, even in the languages I learned after my early 20s, and I think learning by radio as opposed to texts or the usual classroom-ish stuff had a huge part in giving me "native speaker" pronunciation which incidently is almost always quite different than "correct" pronunciation. Yourdeckswillbesettothedefaultoptionstostart.Notevenclose. What tips, tricks or techniques would you recommend for learning a new language? More filters. Our large active vocabulary in our first language has come about from exposure to these words in reading and listening.
