This was the Robbers Cave experiment, and its startling outcome would inspire the harrowing book Lord of the Flies just a year later. New Book.

In Stage 3, the researcher tried to reduce friction between the two groups.

The Problem of Securing a Movie : The next superordinate goal to be introduced was a feature-length movie which has been a favorite for boys of this age level. During this time, the boys bonded with the other boys in their group. Two or three The Robbers Cave (Illustrated) thought this was a good idea, but nothing came of it until after both groups joined in roasting marshmallows.

It was time for stage two: the moment of more direct competition and frustration.

B. Both groups had come to this faucet for drinking water during their camp-outs at the reservoir during Stage 1.
