The Ethics Office provides guidance, advice and training to all staff members to help you make right ethical decisions. Humans have a propensity to rationalize and justify their own decisions, and the organizational and group context is of overwhelming importance in this regard. O WettsteinBrenkert, G. Badaracco J. According to him, it is permissible for an employee to blow the whistle when his doing so will prevent harm to society. Many writers find this result troubling. Externallink. Another significant aspect of virtue ethics is its rejection of a rule-based approach to moral education. The persuasive component of advertising is also a fruitful subject of ethical inquiry.
