In All Aboard, Poppy Cat and her friends are on a treasure hunt and set off with a map, a boat and lots of sunshine. None of these children feel included at the beginning of the book. The seven Chinese brothers show how they worked together and combined their unique powers to overcome the cruel Emperor. The simple illustrations and gentle, quiet poetry make this a lovely book for
In his first week of school, a young boy watches other children master skills to the delight of the teachers. I love this book and its ambiguous but lovely images of people of all different backgrounds working, eating, and playing .
