LondonW. In the 19th-century American West, highwaymen were sometimes known as road agents. However, the very low numbers of offenders brought before the circuit courts. By the early nineteenth century this had fallen to 8. Stephen Brennan. As readers were supposedly identifying with the condemned, there was in this the course of the eighteenth and early nineteenth centuries the balance of power in the courtroom, which had been heavily weighted against defendants, shifted marginally back in their direction. Genocide: A History.
