This is the first semester of a yearlong colloquium focusing on the interplay of law and economics. And it is a central field of federal law and policy that powerfully affects the actions and expectations of millions of individuals, business firms, and organizations.

This is the first semester of a year-long clinical course that gives students

In these cases, the Court ratchets up the factual detail that must be in a complaint for the complaint to be sufficient, by changing its interpretation of FRCP 8 a 2. Emphasis will be on practical knowledge which will enable lawyers to understand the Board process and how various aspects of law impact the Boardroom. The course will take a practical approach to these issues through reading cases, applicable statutes, and through problem exercises designed to encourage students to think how best to protect the interests of their clients, be they employers or employees.

Translating it into statutory law would take many decades, and Congress might
