Gjesdal eds. What sets Forster's treatment of the topic apart from other accounts is his claim that Herder is both misunderstood and unfairly discounted relative to later figures in classical German hermeneutics like Schleiermacher, Dilthey, and Gadamer.

Instead, they focused on the essential subjectivity of experience. The content For Fichte's ego is not merely the ego of the empiric consciousness, since general determinations of thought such as do not fall within the ordinary consciousness have likewise to be known and brought to consciousness; in this way since Fichte's time few men have occupied themselves with speculation. It can make a pretence of knowing all things, but it only demonstrates vanity, hypocrisy, and effrontery. Leo marked it as to-read Jul 15, MoreFromYasTahajid.Mayo, Robert S. Heideggers reading of Schelling in turn has immensely influenced the PostHeideggerian French philosophical turn to the question of the exit from metaphysics.
