## **Start an Online Business: 7 Profitable Ideas to Try**

Selling a six-figure online business isn't rocket science. After about three years of running an extremely successful drop ship store with a business I decided to start calling professional online business brokers to have them value it. I was making about \$24, in profit per month from a small group of online stores.

## **Day Trader Makes \$94, in 3 Months | HuffPost**

I used to think that passive income was hard to make. expertise in the online space, scale their business, and make money while they're at it. . It's easy to compare ourselves to others and look for evidence to support our imposter syndrome. When I take a step back, I realize that I continue to find success.

## **How to Build and Sell a Six-Figure Business**

Day trading is the simple act of buying shares of stocks with the intention of selling them Successful day traders are able to utilize leverage to increase their buying power and take on much larger positions than typical investors. account balance, in which case a trader would owe money to their broker.
